This year's theme, "**Local to Global: Creative Transformation**" aligns perfectly with our vision of transforming the events industry in Africa into a global force to be reckoned with.

The event runs for two days and encompasses plenary sessions, workshops, exhibitions, and networking opportunities. The event is planned to be very glamorous-especially the Gala Dinner which will be an Africa Glam Affair.

HOST CITY

LAGOS, NIGERIA

Lagos (pronounced /la-gos/ or /lay-gos/), Nigeria's most populous city, is the largest urban center in Africa and one of the fastest-growing cities globally, with an estimated population of over 21 million residents.

Originally established as a port city on islands along the Lagos Lagoon, it has evolved into a sprawling metropolis encompassing key districts such as Ikeja (the state capital), Agege, Ikorodu, Epe, and Badagry. Victoria Island serves as the financial and cultural heartbeat of the city, renowned for its upscale beach resorts, shopping boutiques, and vibrant nightlife.

Lagos Island is home to historic landmarks like the National Museum and Freedom Park, a dynamic venue for concerts, art exhibitions, and community events.

With 57 local government areas and a rapidly expanding infrastructure, Lagos stands as a powerful economic, cultural, and entertainment hub, not just in Nigeria, but across the African continent.
